

2015 FLSTN SOFTAIL® DELUXE

Production Color: Hard Candy Cancun Blue Flake

Dive in, the water's fine. White Nostalgic hand grips, White Diamond solo spring saddle, and wide whitewall tires keep things light in 1950s style. The chrome front end, chrome swingarm, and the sky-high Fat Ape handlebar* add some shine, while the Daymaker™ Reflector LED Headlamp and curved license plate frame look great coming and going.

(* Handlebar height is regulated in many areas. Check local laws before installing.)
