

# 2015 XL1200V SEVENTY-TWO®

Production Color: Black Quartz

A few key mods are all it takes to turn this Seventy-Two® model into a long, low hot rod. The rolled-down Drag Bar puts riders in a café racer position. The distressed leather and brass rigid-mount Bobber Solo Saddle takes “minimal” to a new level, and the narrow whitewall tires and retro Smooth Air Cleaner Cover add a nostalgic touch.
