

# 2015 XL1200X FORTY-EIGHT®

Production Color: Hard Candy Big Red Flake

The first thing you notice on this Forty-Eight® model is the eye-popping Hard Candy Big Red Flake paint on the classic “peanut” gas tank. But don’t miss the edgy Chizeled bars\*, Burst Collection foot controls, and the white piping on the Black Diamond Solo Spring Saddle that add a bit of flair and anchor the bike in old-school cool.

(\* Handlebar height is regulated in many areas. Check local laws before installing.)
